Pricing Rule Scheme

I. Project Overview

Project	Explanation
Name of the client company	**Taxi Service - Iceland (client company name not shown on the tariff sheet)**
Application in the country and the city	**Iceland - Reykjavik / Keflavik, taxi fare rules**
Currency (Currency Symbol)	**Icelandic krona (ISK / kr)**

II. Pricing Rules

Instruction: Choose either the mileage-based charge or the speed-based charge and fill in accordingly. Chosen option: mileage-based charge. Source price list date: 01.03.2026.

2.1 Time-based pricing

Period	Time frame	Note
Day	**08:00:00 - 16:59:59**	**Day tariff is from 08:00 to 17:00 on working days.**
Night	**17:00:00 - 07:59:59**	**Night and holiday tariff is from 17:00 to 08:00.**
Explanation	**Working days / weekends / holidays**	**Day rate applies only on working days. Night, weekends and holidays use night/holiday tariff. Major holidays use the separate 35% surcharge tariff.**

2.2 According to the mileage charging rate details

(choose one)

No distinction made between billing time:

Expense item	Content	Note
Starting price	**1-4 passengers: 850 kr** **5-8 passengers: 1,050 kr**	**Opening meter charge.**

Expense item	Content	Note
Price per kilometer	**1-4 passengers: first 4 km 545 kr/km; after 4 km 388 kr/km 5-8 passengers: first 4 km 709 kr/km; after 4 km 505 kr/km**	**General mileage price if the system does not distinguish billing time. Day tariff values used as default.**
Waiting time fee	**1-4 passengers: 13,680 kr/hour = 228 kr/min = 3.80 kr/sec 5-8 passengers: 17,760 kr/hour = 296 kr/min = 4.93 kr/sec**	**Support charging by hour/minute/second.**
Minimum consumption	**1-4 passengers: 850 kr 5-8 passengers: 1,050 kr**	**No separate minimum fare is shown; minimum payable amount equals the starting price.**
Surcharge	**Major-holiday surcharge: 35% Airport / Leifsstod fee: 500 kr Special start/help fee: 5,000 kr**	**Apply only when these conditions/fees are required.**

Distinguish charging time:

Expense item	Day	Night	Note
Starting price	**1-4: 850 kr 5-8: 1,050 kr**	**1-4: 850 kr 5-8: 1,050 kr**	**Same starting price for day and night/holiday.**
Price per kilometer	**1-4: first 4 km 545 kr/km; after 4 km 388 kr/km 5-8: first 4 km 709 kr/km; after 4 km 505 kr/km**	**1-4: first 4 km 582 kr/km; after 4 km 437 kr/km 5-8: first 4 km 756 kr/km; after 4 km 568 kr/km**	**Mileage is charged by passenger group and time period.**
Waiting time fee	**1-4: 13,680 kr/hour = 228 kr/min = 3.80 kr/sec 5-8: 17,760 kr/hour = 296 kr/min = 4.93 kr/sec**	**1-4: 14,340 kr/hour = 239 kr/min = 3.98 kr/sec 5-8: 18,660 kr/hour = 311 kr/min = 5.18 kr/sec**	**Can be entered per hour, per minute, or per second.**
Minimum consumption	**1-4: 850 kr 5-8: 1,050 kr**	**1-4: 850 kr 5-8: 1,050 kr**	**Minimum equals starting price because no separate minimum is shown.**
Surcharge	**No standard day surcharge**	**Night/holiday tariff applies. Major holidays use 35% surcharge tariff.**	**Additional fees: Leifsstod 500 kr; start/help fee 5,000 kr when applicable.**

2.3 According to the speed-based pricing schedule

(choose one)

No distinction made between billing time:

Expense item	Content	Note
Starting price	**Not applicable**	**Mileage-based pricing is selected.**
Price per kilometer	**Not applicable here**	**Price per kilometer is filled under mileage charging rate details.**
Minimum driving speed of the vehicle	**Not applicable**	**No speed threshold rule appears in the taxi tariff sheet.**

Pricing Rule Scheme

2.3 According to the speed-based pricing schedule

Distinguish charging time:

Expense item	Day	Night	Note
Starting price	**Not applicable**	**Not applicable**	**Speed-based pricing is not selected; use mileage-based starting prices.**
Price per kilometer	**Not applicable**	**Not applicable**	**Use mileage-based day/night kilometer rates from section 2.2.**
Minimum driving speed of the vehicle	**Not applicable**	**Not applicable**	**No minimum-speed rule is provided on the tariff sheet.**
Minimum consumption	**Not applicable**	**Not applicable**	**Mileage tariff minimum equals the starting price in section 2.2.**
Surcharge	**Not applicable**	**Not applicable**	**Use mileage tariff surcharges: major holidays 35%, Leifsstod 500 kr, start/help 5,000 kr.**

III. Support for Function Adjustments

#	Function	Requirement Description	Note
1	Pricing rules	**Implement mileage-based taxi fare rules with day, night/holiday, and major-holiday rates; support passenger groups 1-4 and 5-8.**	Support the implementation of time-based pricing during the day and at night.
2	Configuration interface	**Allow editing of starting price, first 4 km rate, after 4 km rate, waiting/time fee, minimum fare, surcharges, and extra fees.**	Support adjustable pricing parameters (starting price, per-kilometer charge, waiting time charge).
3	Driver's name	**Optional. Allow setting the driver name if required by the company/account.**	The vehicle registration interface allows for setting the driver's name.
4	Logo	**Optional. Upload company/customer logo only if required.**	Support for setting the customer logo. If necessary, upload the image.

Note: Fill in only if necessary.
